

CUT

SAFE

The diagram shows a square corner template. It features a solid magenta outer border, a dashed blue inner border, and a light green dashed outermost border. Two magenta rounded rectangles are positioned at the top, representing punch holes. The text 'BIG' is centered in a large, bold, grey font. Below it, the dimensions '5.5in x 3.125in' and the text 'Square Corners' are centered in a bold, dark grey font. At the bottom, the instruction 'Please outline all text' is centered in a smaller, italicized, dark grey font. The word 'CUT' is in the top left corner, and 'SAFE' is just inside the top left corner of the dashed blue line.
